Sir:

The above-identified application became abandoned for failure to file a complete response to the Office Action mailed by the United States Patent and Trademark Office on February 16, 2007.

Applicant hereby petitions the Commissioner for revival of this application pursuant to 37 C.F.R. § 1.137(b) because the abandonment of the application was unintentional.

The general facts supporting this Petition are as follows:

1. The present application was filed on November 12, 2001.
2. On February 16, 2007, a Final Office Action was mailed by the Patent and Trademark Office to Applicants' attorney of record, who at that time was Ference & Associates, rejecting claims 1-37.
3. On August 9, 2007, Applicant filed a Revocation of its Power of Attorney to Ference & Associates, a New Power of Attorney to Metz Lewis LLC, and a Statement Under 37 CFR 373(b). Notice of acceptance of the new Power of Attorney was mailed from the United States Patent and Trademark Office on August 23, 2007.
4. On August 13, 2007, Applicant's attorney filed an Amendment in response to the February 16, 2007 final rejection along with a Petition for a three-month extension of time and a check for the proper petition fee. Applicant's attorney noted the finality of the rejection and inadvertently omitted a Request for Continued Examination.
5. On September 4, 2007, Applicant's attorney received an Advisory Action noting that the response filed on August 13, 2007 was incomplete because it did not include a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.
6. Upon recognition of the omission of the RCE, Applicant's attorney filed an Request for Continued Examination on September 6, 2007, authorizing the Director to charge the appropriate filing fees to its Deposit Account No. 50-0525.
7. In a telephone conference with Supervisory Patent Examiner John Cabeca on September 12, 2007, Applicant's attorney was advised that the RCE would not be accepted

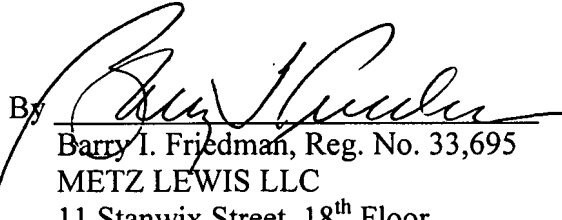

because the maximum time limit for response to the February 16, 2007 Office Action had expired and the application had become abandoned.

8. Applicant's attorney immediately filed this Petition to revive Serial No. 10/005,985, as Applicant had no intention of abandoning the application.

Applicant respectfully requests that this Petition for Revival be granted, and that the Amendment and Petition for Extension of Time filed on August 13, 2007, and the Request for Continued Examination mailed on September 6, 2007, be accepted in response the February 16, 2007 Office Action.

Along with this Petition, Applicant has enclosed a check in the amount of \$750.00 for the fee to file this Petition. Should any other fees be required, Applicant hereby authorizes the Commissioner to charge the additional fees to Deposit Account No. 50-0525. A duplicate copy of this authorization is enclosed.

Respectfully submitted,

By
